

Code Sprint for Impact

Open Referral Team

A decorative graphic consisting of two parallel diagonal stripes, one teal and one light gray, running from the bottom left towards the top right. The stripes are set against a solid black background that occupies the bottom right portion of the slide.

Projects Defined

- 1) Create federated shelter data using IRMA registries (scrapped data)
 - a) Dedup and Merge ETL Utility

Challenges - Sources use varied formats, no common identifier, data is dirty

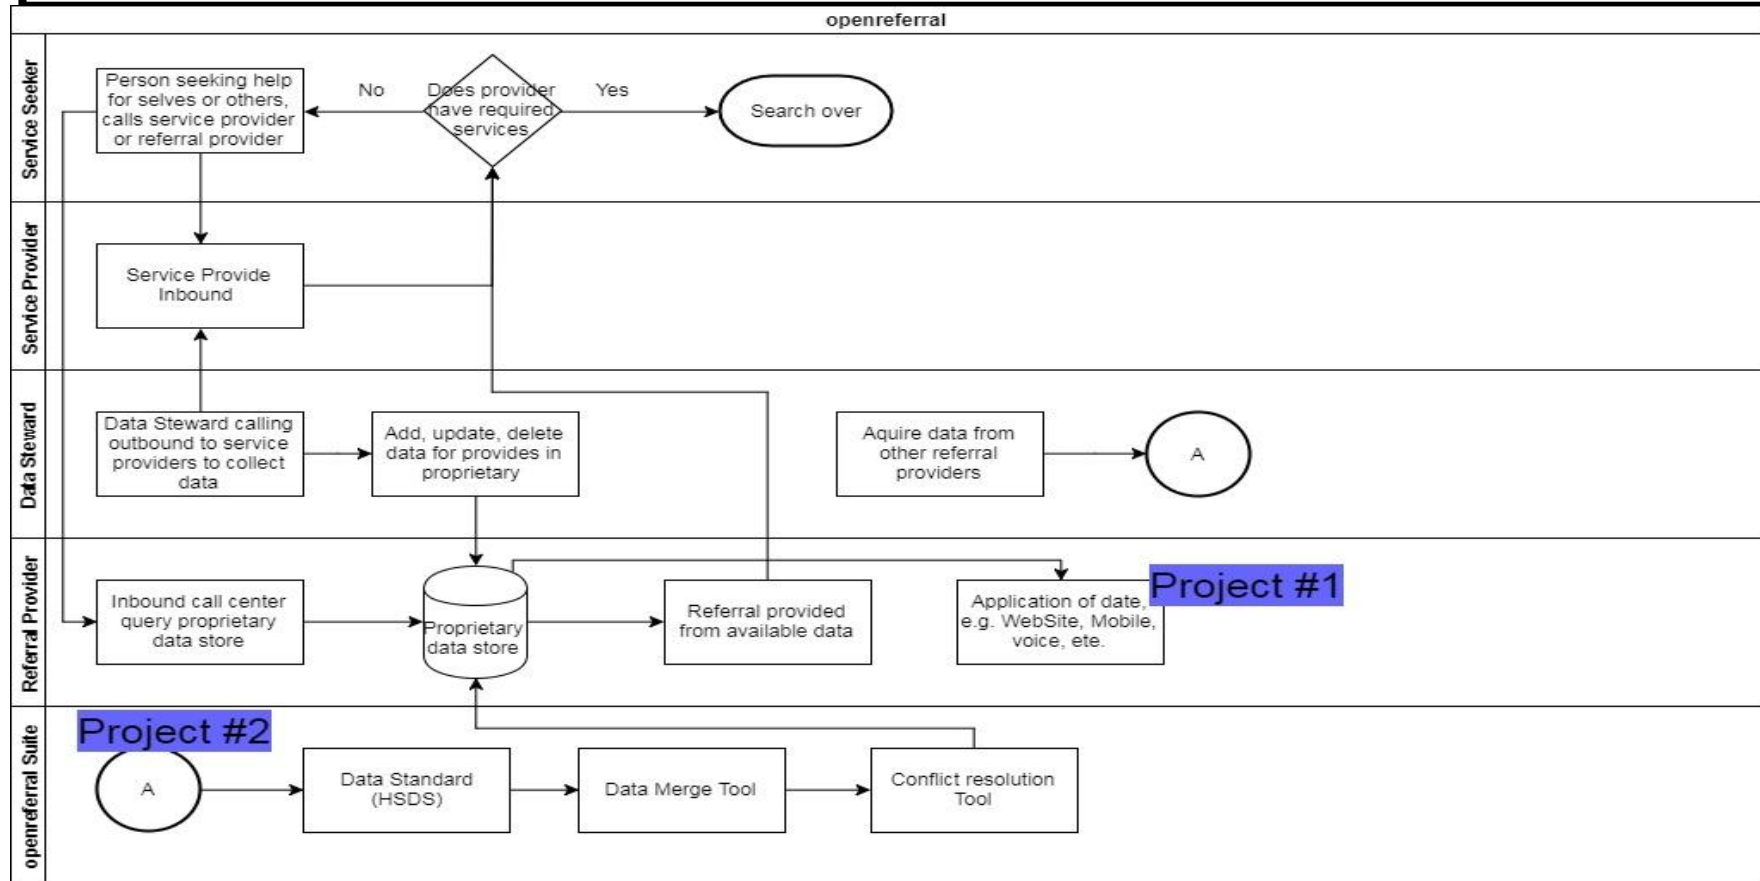

- b) Conflict Resolution Tool - HSDS DataSteward

Challenges - Workflow not defined, many use cases

- 2) Redeploy current search utility to leverage the current API

Challenges - Written in RUBY, API is tightly coupled with front-end
